Robert V. Jurasek / Bobby G. Jones
Memorial Scholarship

International Association of Machinists and Aerospace Workers

**Local #463
Little Rock AFB, AR**

The Robert V. Jurasek / Bobby G. Jones Memorial Scholarship is named in honor of two of our members who epitomize the hard work and dedication that our brothers and sisters display daily in the work of the ATS. We honor these outstanding individuals by donating a scholarship to the most deserving graduate each year. It is our hope that their legacy will live on as we help others achieve their education goals.

This \$1,500 scholarship is awarded annually to a deserving high school senior who is legally related to any member in good standing of Chapter 463 of the International Association of the Machinists and Aerospace Workers Union. Children and step-children are eligible to receive this award.

A committee from “Hercules” Chapter 463 screens the applications and makes a recommendation to the Executive Committee. The scholarship is awarded at the June general membership meeting. The winner will be notified in writing by the scholarship committee and informed when the presentation will be made. The scholarship check will be made out to the applicant.

The packet should be sealed, your name written on the front, and returned to the Scholarship Committee Chairperson. Applications must be turned in no later than May 31 of the current year.

Any questions should be directed to the Scholarship Committee Chairperson, or any Local 463 Officer.
