HERCULES LODGE #463

LITTLE ROCK AFB, ARKANSAS

BYLAWS

PREAMBLE

The establishment of this Local Lodge as a subordinate unit of the International Association of Machinists and Aerospace Workers (IAMAW) is an expression of the desire of the workers in the C130 Aircrew Training System (C130 ATS) and the C-130J Maintenance and Aircrew Training System (C-130J MATS) at Little Rock AFB. Their purpose is to participate fully in the achievement of the objectives of the parent Union, as it seeks to fulfill the hopes and aspirations of the working people in the aerospace industry.

We seek the fulfillment of these hopes and aspirations through democratic processes within the framework of our constitutional government, and, to be consistent with our nation's institutions and traditions.

At the collective bargaining table, in the community, in exercising the rights and responsibilities of citizenship, we shall responsibly serve the interests of all the American people. We pledge ourselves to the more effective organization of working men and women; to the securing to them of full recognition and enjoyment of the rights to which they are justly entitled; to the achievement of ever higher standards of living and working conditions; to the attainment of employment security for all the people; to the enjoyment of the leisure which their skills make possible; and to the strengthening and extension of our way of life and the fundamental freedoms which are the basis of our democratic society.

We shall combat resolutely the forces that seek to undermine the democratic institutions of our nation and to enslave the human soul. We shall strive always to win full respect for the dignity of the human individual whom our union serves. With Divine guidance, grateful for the fine traditions of our past, confident of meeting the challenge of the future, we proclaim these bylaws.
